

GEOGRAPHY

LONG TERM PLAN CYCLE A

	YEARS 1 & 2 (YEAR 1)	YEARS 3 & 4 (YEAR 3)	YEARS 5 & 6 (YEAR 5)
AUTUMN	<p>Continents, Oceans, UK countries, capital cities and surrounding seas</p> <ul style="list-style-type: none"> • What are the 7 continents of the world? Where will we find them? • What are the 5 oceans of the world? Where will we find them? • What are the 7 continents and 5 oceans of the world? Where are they? • What are the four countries of the United Kingdom? Where will we find them? • What are the capital cities of the four countries of the United Kingdom? Where will we find them? • What seas surround the United Kingdom? Remember countries and capital cities. Retrieve continents and oceans 	<p>Study KS2 Fieldwork and Map Skills - Human and Physical Geography</p> <ul style="list-style-type: none"> • What are the 8 points on the compass? • Where are the physical and human features located in this place? • What physical features can you identify in the U.K? 	<p>Study the Location of Countries of the World, Including Biomes and Environmental Regions</p> <ul style="list-style-type: none"> • Where would you find some of the major countries of the world? Remember continents, lines of latitude, longitude, and the Equator • Where would you find some of the major cities of the world? Remember continents, lines of latitude, longitude, and the Equator • What is a biome? (Environmental region) • How do biomes change across the world? • What are the human characteristics that define Europe, North and South America? • What are physical characteristics that define Europe, North and South America?

	YEARS 1 & 2 (YEAR 1)	YEARS 3 & 4 (YEAR 3)	YEARS 5 & 6 (YEAR 5)
SPRING	<p>Continents, Oceans, UK countries, capital cities and surrounding seas</p> <ul style="list-style-type: none"> Where are the 7 continents of the world? Locate and describe them. What are the 5 oceans of the world? Locate and describe them. Where are the 4 countries and capital cities of the United Kingdom? Locate and describe them. Where are the seas and oceans that surround the United Kingdom? Locate and describe them. 	<p>Study Counties and Regions of the United Kingdom</p> <ul style="list-style-type: none"> Remember countries and capital cities. What are the regions of England? What are the cities and counties of the UK? What are the physical and human landmarks of England and Scotland? What are the physical and human landmarks of Wales and Northern Ireland? What are the topological patterns of the UK? What can I see here? Summarise, present and explain regions, counties, cities and landmarks of the UK 	<p>Introduce 4 and 6 figure grid references</p> <ul style="list-style-type: none"> Why do we need latitude and longitude? What are 4 and 6 figure grid references and how do we use them? How can I precisely describe locations, landmarks and places as a geographer?
SUMMER	<p>Hot and cold places</p> <ul style="list-style-type: none"> Remember - name and find the 7 continents and 5 oceans of the world. Where is the equator? Where is hot and where is cold on the Earth? Where are the North and South Poles? What are they like? Where can I find hot countries? What are they like? Summary - where are hot and cold areas of the world? <p>Mapping and fieldwork</p> <ul style="list-style-type: none"> What is a map? How do I make an imaginary map? We're going on a bear hunt How do you show what a place is like? The Storm Whale How do I make a real map? 	<p>Revisit human and physical features</p> <p>OS maps and scale</p> <ul style="list-style-type: none"> What is an Ordnance Survey (OS) map? How does scale change the way we describe a place? What's the area like just beyond the school? What's the area like beyond our region? 	<p>Ordnance Survey (OS) map skills and fieldwork</p> <ul style="list-style-type: none"> Remember: what are OS maps and how do we use them? What are four and six figure grid references? What are contour lines? What does the land look in my local area? What is the land like in a contrasting locality? Structured Explanative Assessment Task.

LONG TERM PLAN CYCLE B

	YEARS 1 & 2 (YEAR 2)	YEARS 3 & 4 (YEAR 4)	YEARS 5 & 6 (YEAR 6)
AUTUMN	<p>Study Human and Physical Geography in the Local Area</p> <ul style="list-style-type: none"> • What are human features? • What are physical features? • What features does our local area have? <p>Study Human and Physical Geography of a Small Area of United Kingdom, and of a contrasting Non-European Country</p> <ul style="list-style-type: none"> • Where is London and what is it like? • Where is the country of Kenya? • What are the physical and human features of Kenya? • Where is Nairobi and what is it like? • How are London and Nairobi similar or different? • What do we know and remember about London and Nairobi? 	<p style="text-align: center;">Rivers</p> <ul style="list-style-type: none"> • What are the features of a river? • What's our local river? What features can we see? Where did it come from and where does it flow? <p style="text-align: center;">Latitude and Longitude</p> <ul style="list-style-type: none"> • What are lines of latitude? • What are lines of longitude? • How do lines of latitude and longitude tell us what the location is like? • How can you find exact locations around the world? • What are time zones and how do they affect us? • How does day and night occur? • Locate Greece and Egypt using geographical skills <p style="text-align: center;">Water Cycle</p> <ul style="list-style-type: none"> • What is the water cycle? • How does the water cycle work? • What affects the water cycle? 	<p style="text-align: center;">Physical processes: earthquakes, mountains and volcanoes</p> <ul style="list-style-type: none"> • What makes up the layers of planet Earth? • What are tectonic plates and where do you find them? • How do tectonic plates move and what happens? • What causes an earthquake and what's the effect? • How are mountains formed? • How do volcanoes work? <p style="text-align: center;">Study and compare places: region in the UK, Europe and North America</p> <ul style="list-style-type: none"> • Where is the Lake District and what is it like? • How was the Lake District formed? • Poland: where can you find the Tatra mountains? • What are the Tatra mountains like? • The Caribbean and Jamaica: what do we know? What's the terrain like? • What is similar and what is different between the Lake District, Tatra mountains and the Caribbean?
SPRING			

	YEARS 1 & 2 (YEAR 2)	YEARS 3 & 4 (YEAR 4)	YEARS 5 & 6 (YEAR 6)
SUMMER	<p>Study a small area of a contrasting non-European country</p> <ul style="list-style-type: none"> Where are the rainforests? What are they like? How do the Yanomami people live? What is different about my location and the Yanomami? <p style="text-align: center;">Fieldwork and map skills</p> <ul style="list-style-type: none"> How do we describe places? What physical features does this place have? What human features does this place have? Map keys: how can we show what a place is like? Sketch map: how can we show what a place is like? How does the scale of map tell us what the area around our school is like? 	<p style="text-align: center;">Rivers: Nile and Amazon</p> <ul style="list-style-type: none"> REMEMBER: what are the features of a river? River study: what are the major rivers of the world? Where is the River Nile and what features does it have? How is the River Nile used and what features does it have? Where is the Amazon River and what features does it have? <p style="text-align: center;">Map Skills - Environmental regions of Europe, Russia, North and South America</p> <ul style="list-style-type: none"> What are environmental regions? Europe: what are the major environmental regions? Russia: what are the major environmental regions? North America: what are the major environmental regions? South America: what are the major environmental regions? 	<p>Study and compare places: region in the UK, Europe and North America</p> <p style="text-align: center;">Continued</p> <p style="text-align: center;">Orienteering map skills and navigation</p> <ul style="list-style-type: none"> Remember: what are 4 and 6 figure grid references? How do we use them? What is orienteering? How do I orientate a map? How do I navigate a simple indoor course using controls? How do I navigate a simple outdoor course using controls? Matala: how do I navigate multiple outdoor courses using controls? How do I plan and set up an orienteering course?
